LCD MONITORS

with selected IYONIX pcs

The IYONIX pc is the new hi-performance RISC OS computer from Castle. Buy one of these ground-breaking PCs and we will slash **£165 OFF** our range of top quality Iiyama LCD monitors*.

The IYONIX pc is available in 2 versions:
120GB HD/512MB DDR RAM/CDRW **£1399** inc VAT
80GB HD/128MB DDR RAM/CDRW **£1299** inc VAT

All IYONIX pc models feature the XScale processor running at a breathtaking 600MHz. They have accelerated high resolution graphics of up to 2048 x 1536 pixels, a hi-quality UDMA100 hard drive and 200MHz DDR memory. Together with a host of bundled software, it all makes the IYONIX pc the top choice this spring.

Order now! Call 01728 723200

*All LCD Monitors come with a three year on-site warranty and are Iiyama manufactured or of a similar high quality. Screen measurements are diagonal. Delivery £20. All prices include VAT. E&OE. All trademarks acknowledged. Offer period from 1st March to 31st May 2004.

For full specification see

www.iyonix.com

Flat panel LCD monitors have been created to maximise computing space. Using less than half the space and power requirements of a CRT, they dramatically reduce energy costs and contribute towards a cooler working environment. The flicker free nature of LCD technology promotes increased productivity by reducing eye strain and increasing user comfort.

Special LCD monitor offers
(when ordered with an IYONIX pc):
